I am a highly motivated individual who loves working as a team but will always step up to the opportunity to lead. I work well under pressure and always go the extra mile to achieve employer goals and objectives

## EXPERIENCE

### **Boulders UK, Cardiff— *Cafe Assistant***

February 2016 - August 2020

I began working in Boulders as a casual weekend worker and was later given a full-time contract. I worked in the cafe both in an assistant role and as a shift manager. As a shift manager I was responsible for running the cafe on extremely busy days with a small team working beneath me. I was able to learn and develop my leadership and teamwork skills in this role, as well as the ability to keep calm under pressure.

I also performed a series of other roles at Boulders including working in Front of House, maintenance, routesetting, and developing their second site in Cheltenham. My work in Boulders required a lot of initiative and hard work, as well as the ability to be flexible and reliable.

### **Handymen, Cardiff— *handyman***

April 2020- November 2020

I started working at Handymen as a labourer, I picked up skills by always taking any opportunity to take over on the tools. In my time at handymen I managed to take part in painting, floor laying, garden landscaping and house renovations.
